DANIEL MANNING

Technical Services Intern

✉ damanning911@att.net   📞 (346) 225-4104   📍 Houston, TX

WORK EXPERIENCE

Utilities Contractor
Wright Solutions

📅 July 2023 - August 2023   📍 Houston, TX

- Tested 100+ water valves and reported and described any that were broken, lost, or in need of repair to the water company
- **Worked without direction supervision in the field**

General Maintenance Intern
Christchurch Baptist Fellowship

📅 July 2023 - August 2023   📍 Spring, TX

- Worked on **maintenance and remodeling projects** that ranged from painting walls and installing ballast bypasses for LED lights, to cleaning and repairing parts of the building

Counselor
Camp Cho-Yeh

📅 May 2023 - July 2023   📍 Livingston, TX

- Lead and supervised groups of campers through camp activities and bible studies
- **Made a personal connection** with each of the 12+ campers each week and took care of any needs that arose
- Had a good attitude at all times to help the campers have a better experience

CAREER OBJECTIVE

Dedicated computer science student with a strong understanding in C++ and Visual Studio Code with experience in jobs requiring team work and good communication skills, seeking a role as an intern in the computer science field. Eager to learn more about the field and use my learning to work on major projects.
